**Bob Franz** reported for **Gillian Martin**. She was at O'Neil Park for Acorn Day with **Tina Bernhardt and Bob Hodgkin**. Gillian spent the majority of the month writing two end-of-the-year grant reports and two new grant proposals. They were to Pasadena Audubon and to Fund for Wild Nature. She wants to thank JoAnn for her help in the tedious process of having to create the four fiscal documents necessary for one of these grants. Gillian should hear at the end of 2014 whether she is to receive these grants. She made a presentation this month to El Dorado Audubon. About 35 people were present. She has been invited to do a program for a 4<sup>th</sup> grade class in Bellflower.

**Bob Franz** presented the completed nestbox decals. They are 4"x4", water proof and will stick to our boxes. They say: Do Not Disturb, This box contains a protected bird species! If it is on the ground, please report this to:. There is a line at the bottom to write your own contact information.

**Jim Semelroth** reported on the website: Sent the new CCI song to 60 NAB groups, 120 emails. Jim received two responses. We do get donations from the website through paypal. CCI has received 3,000 page reviews and SCBC has received 33,000 page views.

**Bob Franz** presented, per **Bill Wallace's** request, about the upcoming Fullerton Arboretum Native Plant Sale on Saturday and Sunday, November 15<sup>th</sup> and 16<sup>th</sup>. We will have a table for both days to talk about our mission and have merchandise available for donations. The ARB would also like us to do two 30-minute presentations in one of the classrooms. It will be free of charge to SCBC. Bill has volunteered to make the presentations. **JoAnn Coller and Bob Franz** also volunteered to help.

Next meeting will be November 1, 2014.
